Aatman Academy for Research and Training

Aart is the research and training wing of AES. Through Aart we provide school consultancy and teacher training programmes to desirous educational institutions. The Aart panel of experts consists of highly experienced educators, special educators, counselors, therapists and doctors who have collectively been facilitating trainings across all boards and all levels. The CHILD Course is run under the aegis of Aart by a team that has trained teachers and heads of the Edn Dept of the Gov. of Maharashtra on Inclusive Edn.

*Here's what our first batch of
Inclusive Education Partners or
Practitioners (IEPs) are saying
about the CHILD Course*

Aatman's CHILD course, is one of a kind!
It's one of the first courses that I have
come across, that aims to give all children
equal and able education.

Shruti Chandorkar
MA Psychology
Shadow Teacher

It gave me a lot of opportunities to
reflect.
I would recommend it to every
teacher who truly wants to touch
lives and make a difference!

Smita Nair Kurup
Director
Saraswati Vishwa Vidyalaya
Nigdi, Pune

It is no exaggeration to say that
the CHILD Course experience
was transformative for me—both
professionally and personally.
All educators should receive this
training. If we could get our
entire education system to
recognize the benefit and value
of empowering students as
taught in this course, it would
take schooling to another level!

Dhwani Gangar
French Teacher
Ira Global School

My perspective towards children
with diversities has broadened
tremendously after the course.
The program and the staff of
Aatman have transformed me into
a cheerful & bubbly mother too...!

Dr. Divya M.K
BDS

It will change people's
perspective of looking at the
learning process.
SPECIAL DEEDS done for
SPECIAL NEEDS .

Amrita Deshpande
Parent
